

South Bend Greek Festival 2019

June 7-9

Vendor Contract

Event Information:

The South Bend Greek festival, hosted by Saint Andrew Greek Orthodox Church has been the premier ethnic festival in Michiana for over 43 years. It attracts in excess of 5000-6000 guests over the span of 2 1/2 days. It's always scheduled during the 2nd full weekend in June. We are in the process of adding more vendors to this event, and are specifically recruiting artists as a way to add a nice variety of entertainment, shopping and exhibits for our guests. We do also accept direct sales vendors. We would be very honored to have join us for this event either through a consignment arrangement or by offering you a self-managed booth.
